

**The next model of a sport car will cost 13.3% more than the current model. The current model costs \$53,000 how much will the price increase in dollars**

\$ 7, 049 is the increase

$$\text{increase} = 13.3 \% \times \$ 53,000 = 0.133 \times \$ 53,000 = \$ 7,049$$

In a class of 42 students, the number of boys is 12 fewer than twice the number of girls. Find the number of girls.

In high school, teachers bear much of the responsibility for their students' learning. In college, however, professors organize and facilitate the course, while you are largely responsible for actively engaging in your own learning. This expectation for students to independently direct their own learning is why:

Consider three drinking glasses. All three have the same area base, and all three are filled to the same depth with water. Glass A is cylindrical. Glass B is wider at the top than at the bottom, and so holds more water than A. Glass C is narrower at the top than at the bottom, and so holds less water than A. Which glass has the greatest liquid pressure at the bottom?

- a. Glass A
- b. Glass B
- c. Glass C
- d. All three have equal non-zero pressure at the bottom.
- e. All three have zero pressure at the bottom.

Kevin said that if you triple his age, the result will be 1 less than his mother's age

What happens after the Raven flies into the speaker's room in The Raven by Edgar Allan Poe? Arrange the events in the correct order. The speaker imagines that angels have arrived and spread perfume in the room.

The speaker watches as the Raven flies in and perches on the bust of Pallas.

The speaker feels like his soul is trapped in the Raven's shadow.

The speaker asks the raven if he'll ever get over the misery of losing his love Lenore.

The speaker gets angry at the raven and shouts at it to fly away.

The speaker wants to know if he'll ever meet Lenore in Heaven.

One cup of popcorn that produces 131kj when burned in a calorimeter

What did the Navigation Acts ensure for Britain?

12 Years A Slave!! What disease did Robert die of and later infect Solomon?

a.Small Pox

b.Tuberculosis

c.Malaria

d.Cholera

Soy parte del coro en mi escuela. Para ensayar tengo que \_\_\_\_\_ 2 o 3 horas diarias.

Vinny decorated 72 cookies and 36 minutes how many cookies did you decorate per minute

Solve x in the diagram

The governments of Spain and Portugal sponsored overseas exploration and expansion in the late 1400s and into the 1500s because they??

What structures or processes do plant cells possess or perform that animal cells do not? Select all that apply. photosynthesis cellular respiration chloroplasts cell wall cell plate chlorophyll ribosomes mitochondria

In general, metalloids are slightly reactive. Please select the best answer from the choices provided
