

Clubbing

Ben Malbon 2002-03-11 Clubbing explores the cultures and spaces of clubbing. Divided into three sections: Beginnings, The Night Out and Reflections, Clubbing includes first-hand accounts of clubbing experiences, framing these accounts within the relevant research and a review of clubbing in late-1990s Britain. Malbon particularly focuses on: the codes of social interaction among clubbers issues of gender and sexuality the effects of music the role of ecstasy clubbing as a playful act and personal interpretations of clubbing experiences.

Understanding Media

Marshall McLuhan 2016-09-04 When first published, Marshall McLuhan's Understanding Media made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

The Dark Light Years

Brian W. Aldiss 2014-04-01 A strange alien species forces us to question our definition of civilization in this biting satire from the Grand Master of Science Fiction. What would intelligent life-forms on another planet look like?

Would they walk upright? Would they wear clothes? Or would they be hulking creatures on six legs that wallow in their own excrement? Upon first contact with the Utod— intelligent, pacifist beings who feel no pain—mankind instantly views these aliens as animals because of their unhygienic customs. This leads to the slaughter, capture, and dissection of the Utod. But when one explorer recognizes the intelligence behind their habits, he must reevaluate what it actually means to be “intelligent.”

Twelve Angry Men

Reginald Rose 2006-08-29 A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
